## **Just a Friendly Reminder...**

### 7.1 Landscaping Maintenance

All landscaping located on any Lot, including grass lawns, must be properly maintained at all times by the Owner of such Lot in a trimmed, well-kept and clean condition, as determined by the Board, in its sole and absolute discretion. Each Owner will keep all shrubs, trees, grass, and plantings of every kind on his or her Lot cultivated, pruned, free of trash, and other unsightly material. In addition, each Owner shall on a regular basis remove weeds from the yard, including, without limitation, flowerbeds and planter areas.

## **A Note from Code Compliance**

Ordinance § 12.5-302 Blowing grass clippings into the road is a Code Violation. It's very easy to cut your grass in a way that doesn't blow the clippings into the road. You can cut the grass so that the discharge chute is aimed back at the yard. And if you don't want the clippings in your yard, simply rake them up. You won't be able to keep every single blade of grass in your yard, but that's understandable.
